

Field Interviews Module

If you are tired of dealing with **Field Interviews** and **Intelligence** information that is handwritten on 3x5 cards, the Police Central Field Interview Module is for you! Captures full **biographical** information, **vehicle** information, interview **details**, **associates**, **associations** and a **narrative** in a **fully searchable** database. Officers can enter information as received, attach photos of the subject, marks, scars, tattoos or any other photos, and document the interview for easy retrieval. All authorized personnel have access, while completely secured from all other Police Central users. And, our exclusive Web-enabled technology makes in-house deployment easy. Looking for a White, Male, interviewed in January on Logan Street -- Police Central **instantly** gives you the interview report!

Biographical Information Section

The Biographical Section captures all relevant **personal information**, including name, addresses, aliases. Height, weight, hair, eyes, facial hair and complexion have Drop-Down Lists for easy, **NCIC** standardized entries. Maintains complete **histories**. All fields are **Searchable** in any combination. Automatically **flags juvenile** records. Provides complete **audit trail** indicating user who has created, accessed, modified or deleted records. CALEA certified Gang Questionnaire included! Police Central will create a Jacket for the person, available to Warrants, Civil, or the Arrest & Booking Module as needed.
