

Incident Reporting Module

The fully searchable Police Central Incident Reporting Module is configured for Uniform Crime Reporting (UCR) or National Incident Based Reporting System (NIBRS) as required by your State. Available as the **Report Input Module** and the **State Submission Module**. Extensive use of Drop-Down lists to assure easy, rapid entry of data and consistency. Report input section **validates** data to assure reportability. Our module even permits **digital photographs** to be attached to any Incident Report; and the printed report is the **most readable**, well organized report available. Submission Module **validates all data** assuring high acceptance rate.

Event and People Section

The Event Section contains the **Event Type**, **Location**, dates/times and other Incident information. Drop-Down lists simplify data entry. The **People Section** contains full Victim, Offender, Complainant information for an unlimited number of **Involved Persons**. Automatically builds **unlimited list of persons** as they are entered, and full personal details are displayed simply by selecting the person from the list.

The screenshot shows the 'Event' section with fields for Incident Type (Arson-indust,etc uninhab (99D2)), Incident Location (MOUNTAIN TOP), and Date/Time (4/11/2000 13:00). The 'People Associated with this Incident Report' section shows a list of names including PAIGE GAINES, ROBERT JONE, ROBERT SMITH, CATER, and MARK LAKEY. A search box for 'GAINES PAIGE' is visible.

The screenshot shows the 'Property' section with a table of stolen items. The table has columns for Type, Description, Value, and Total Stolen. The total stolen amount is \$5,300. Below the table, there are fields for Property Type (Jewelry, Prec. Metals), Property Value (\$200), Make (TIFFANY), Model, Serial Number, Color (Gold), and Description (24K GOLD RING, WITH WHITE SINGLE PEARL).

Vehicle & Property Section

Fully searchable property section builds list of searchable **Stolen and Recovered Property**, and calculates dollar totals as entered. Details of each piece of property are displayed in the List Box, and full information is revealed as item is selected. As property is recovered, the entire list of property can be searched for information, and the Incident Report citing the stolen property is retrieved. Full **Involved Vehicle information** is maintained automatically.

The screenshot shows the 'Administrative, Clearance and Narrative' section. It includes a 'Drug' section with a list of substances (Amphetamine, Barbiturate, Cocaine, Haluchogen, Heroin, Marijuana, Methamphetamine, Opium, Synthetic Narcotic, Unkn). There is also a 'Clear' section with fields for Reason, Date of Clearance, and Report Date (4/11/2000). The 'Narrative' section contains a text entry: 'RESPONDED TO CALL FOR SERVICE REGARDING A SUSPICIOUS FIRE. COMPLAINANT NOTED THAT SUSPECT WAS SEEN HANGING AROUND BUILDING. FIRE DEPARTMENT WAS ONSITE UPON ARRIVAL. INTERVIEWED COMPLAINANT WHO INDICATED THAT PRIOR TO FIRE, MATERIAL WAS STOLEN FROM APARTMENT LOCATED AT THE SAME LOCATION.'

Administrative, Clearance and Narrative Section

Fully compliant **Administrative** and **Clearance** Sections complete the Incident Report. Main **Narrative** and unlimited number of **Supplementals** can be created as needed. **Spell Check** assures professional narratives. Police Central builds a list of Supplementals as created. **Full Text Search** will retrieve any word or phrase throughout all Reports.

Administrative Reports and Submission

Fully Searchable database includes Full Text Search for narratives. Daily Crime Activity Reports are easily produced, and can be Sorted by any criteria. Police Central **Ad Hoc Reports** permits the user to quickly construct special purpose reports as needed. **Monthly submissions** to the State are generated as needed for any time period, and can be submitted on **diskette** or on-line.
